## Work Experience

**January 2004 - Present**                      **Skyler Corbett**  
**Print & Web Contractor**                      **Brownsville, Oregon**

Lead design consultant on projects ranging from corporate identity to marketing and advertising. Created style sheets, templates, and images for clients. Developed promotional materials including large format posters, tri-fold brochures, media packaging, fliers, and full color catalogs. Developed online web sites such as Roses & Rosemary, Challenge & Change, and Music Cherry.

- Graphic Designer specializing in print, online, and identity design
- Crafted visual identities for corporations and non-profits such as Roses & Rosemary
- Developed promotional materials from business cards to full-color banners
- Created style sheets, templates, and web-based graphics for Challenge & Change
- Developed web sites such as rosesandrosemary.org, challengeandchange.org, and musiccherry.com

**August 2002 - December 2003**                      **Linn-Benton Community College**  
**Online Newspaper Editor**                      **Albany, Oregon**

Designed and updated the online portion for the Linn-Benton Community College newspaper The Commuter. Created PDF versions of print material. Converted Adobe InDesign files to PDF. Created news archive to be used online at <http://aws.linnbenton.edu/commuter/> Built HTML and CSS templates for use online using Dreamweaver. Uploaded files via FTP to the public server.

- Designed the layout of The Commuter web site
- Built HTML and CSS templates using Dreamweaver
- Provided weekly content updates for the web site
- Compiled Adobe InDesign files for PDF distillation
- Uploaded files to public server via FTP

**March 1999 - May 2001**                      **Campus Printing & Copy Center**  
**Assistant Manager**                      **Corvallis, Oregon**

Supervised day-to-day store operations including inventory, sales, copier maintenance, and customer service. Daily projects included printing product collateral with AB Dick printing press, metal plate making, embossing, book binding, typography, and graphic design. Responsible for building client advertisements, business cards, brochures, multipart forms, and posters using Adobe Creative Suite.

- Supervised daily store operations and retail sales
- Experience with AB Dick offset press including metal plate making
- Designed product collateral for clients with the Adobe Creative Suite
- Prepared high volume archival grade documents for Oregon State University
- Created templates and tear sheets for use with customer orders and other business needs
